NONPF 2014 Armchair Discussion

Interprofessional Education:
Building Collaborations in Clinical and Didactic Nurse Practitioner Education
For Improved Patient Outcomes

Selected Resources

Associations:
- American Interprofessional Health Collaborative: http://www.aihc-us.org/
- Association for Prevention Teaching and Research: http://www.aptrweb.org/
- Canadian Interprofessional Health Collaborative: http://www.cihc.ca/
- Center for the Advancement of Interprofessional Education (UK): http://caipe.org.uk/

University Interprofessional Education Sites:
- University of Minnesota: www.ipe.umn.edu
- University of Iowa: http://interprofessional.uiowa.edu
- University of Toronto: www.ipe.utoronto.ca
- University of Washington: http://collaborate.uw.edu
- University of California-San Francisco: https://interprofessional.ucsf.edu
- Arizona School of Dentistry and Oral health:
  www.atsu.edu/thecenter/interprofessional.html

Core Competencies:
- Core Competencies for Interprofessional Collaborative Practice:
  http://www.aacn.nche.edu/education-resources/IPECReport.pdf

Curriculum:
- Association for Prevention Teaching and Research (APTR) http://www.aptrweb.org/
  - Advancing Interprofessional Clinical Prevention and Population Health Education
  - Press Release: New Curricular Guide
  - Clinical Prevention and Population Health Curricular Framework
- Wickham G, Gordon J, Kelly M, Weistroffer P, Valde J, Hosking J, Law L. Major Public Health Issue as a Vehicle for Interprofessional Curriculum: A Simulated Obesity Module Involving Seven Disciplines. MedEdPORTAL; 2013. Available from: www.mededportal.org/publication/9317

Toolkits:
- Canadian Interprofessional Health Collaborative Toolkit: http://www.cihc.ca/resources/toolkit
- The Josiah Macy Foundation; Team-Based Competencies; Building a Shared Foundation for Education and Clinical Practice: http://www.macyfoundation.org/publications/publication/team-based-competencies-building-a-shared-foundation-for-education-and-clin
- McMaster University; Interprofessional Resource Centre: http://www.interprofessionalresourcecentre.ca/index.php

Collaboration and Team Building:
- Agency for Healthcare Research and Quality:
    - Teamstepps http://teamstepps.ahrq.gov/
- World Health Organization:
    - Framework for Action on Interprofessional Education & Collaborative Practice
    - http://www.who.int/hrh/resources/framework_action/en/

Evaluation Tools:
- *Canadian Interprofessional Health Collaborative (CIHC):*www.cihc.ca
    - An Inventory of Quantitative Tools Measuring Interprofessional Education and Collaborative Practice Outcomes
- University of Toronto: www.ipe.utoronto.ca
    - The IMPLC Super Toolkit (Interprofessional Mentorship, Preceptorship, Leadership and Coaching)
- Assessing Interprofessional Learning A Resource Guide for Validated Tools;
    - *Resource Guide created by Gerald P. Wickham, Ed.D., University of Illinois College of Medicine at Peoria 2014 gpw@uicomp.uic.edu*

Frameworks, Models & Theories:
